On Feb. 6, 2018:
To Whom It May Concern:

Pursuant to the Oregon Public Records Law, I hereby request the following documents:

- All records regarding the purchase of, acquisition of, installation of, subscription to, payment for, or agreements concerning software designed to access information from social media services

- Any and all contracts (as well as all associated amendments, exhibits, and materials), memorandums of understanding, and other equivalent agreements entered into by this agency with any software or equipment company providing services related to social media surveillance, including but not limited to:

- BrightPlanet
- Geofeedia
- Intrado Inc.
- LifeRaft
- Magnet Forensics
- Media Sonar
- Signal Corporation
- ZeroFOX

Responsive materials should include but not be limited to:

- the initial Invitation to Bid, Request for Proposal, or equivalent call for contractors
- the responsive materials provided by the winning bidder
- other bidder responses
- the current contract
- all exhibits
- all amendments
- all performance work statements
- all deliverables inventories
- all invoices related to the deliverance of software, services, or goods

Please also include:

- All records that contain any information about the functioning of software designed to access information from social media services that is used or has been used by this agency
- All records regarding correspondence about or with a company that offers software designed to access information from social media services, including but not limited to all correspondence about or with the companies Brightplanet, Geofeedia, Intrado Inc, LifeRaft, Magnet Forensics, Media Sonar, Signal Corporation, and ZeroFOX;
- All policies related to the acquisition and use of social media by individual officers and representatives of this agency, including all records regarding the

policies that govern access to or use of software designed to access information from social media services

- All training materials and all records used to instruct members of your agency in the proper use of software designed to access information from social media services or of the information such software is capable of accessing
 - All records regarding the sharing with entities outside this agency of information obtained from or obtained by using software designed to access information from social media services
 - All policies related to the acquisition and use of social media surveillance software by individual officers and representatives of this agency
 - All records referencing social media profiles, comments, posts, messages, or events accessed or retained from social media services through use of software designed to access information from social media services
